Aerospace International Differentiators

Airlines

- Second and third tier operations with excellent safety record
- Operators with advanced Risk Management framework

Manufacturers & Airports

- Non-critical component manufacturers
- Airside liability
- Refueling liability
- Airport owners and operators

General Aviation

- Industrial Aid jets and turbo prop fleets

Global Risk Engineering

- Experienced Aerospace Risk Engineers worldwide
- Industry and sector specialists
- Help clients avoid and minimise losses
- Insights for clients about their potential vulnerabilities.

Claims First

Dedicated team of claims experts will mobilise rapid response to a covered event and, after coverage is confirmed, will advance our policyholders up to 50% of an agreed loss estimate within 7 days, giving them the immediate working funds they need for damages, repairs, clean-up costs and extra expenses.

Market Leading Experience

An experienced aviation insurer in the aviation insurance market with a 70 year history in the aviation insurance market

Partnership

Create long-term client relationships to provide solutions and products that are relevant for our insureds needs.

Innovation

Expanded offerings, be it through new or increased coverages and multi-national solutions.

Multinational Excellence

Coverage provided is worldwide (excluding territories sanctioned by OFAC or US/European sanctions).
